DISTRICT SUPERINTENDENTS ORDER NO. 950-21-001
Supersedes Posted Order 950-19-001

1. No person shall launch any vessel and/or vessel trailer in the waters of Lake Perris SRA and/or Silverwood Lake SRA that has not been inspected for Dreissenid Mussels by a Lake Perris SRA and/or Silverwood Lake SRA Park Official. An exception to this would be if the vessel has a properly attached Dreissenid Mussel inspection re-entry seal from Lake Perris SRA, Silverwood Lake SRA, or another cooperating Dreissenid Mussel inspection program and only after the seal has been inspected by a Lake Perris SRA and/or Silverwood Lake SRA Park Official.
2. No person shall remove, alter or tamper with Dreissenid Mussel failure seal for the purpose of entering into Lake Perris SRA or Silverwood Lake SRA prior to the indicated dry-out period unless authorized by a State Park Official.
3. All vessels and/or vessel trailers that have been identified as having Dreissenid Mussels must be removed from the waters of Lake Perris SRA and/or Silverwood Lake SRA immediately.
4. No person shall launch or attempt to launch a vessel and/or vessel trailer into the waters of Lake Perris SRA or Silverwood Lake SRA that has been subject to a dry-out period for Dreissenid Mussels until the expiration of the dry-out period. (Dry out period is 7 days, with the vessel being allowed to launch on day 8, following a failed inspection.)
 - a. Vessels which have launched at an infected body of water will not be eligible for inspection/launch until the 8th day after the vessel's last visit to an infected body.
5. No person shall duplicate, alter photocopy, sell, loan or give away a Lake Perris SRA and/or Silverwood Lake SRA Dreissenid Mussel Inspection Sheet or Inspection Seal.

6. No person shall receive or possess a Dreissenid Mussel Inspection Sheet or Inspection Seal that was not issued to them by a Lake Perris SRA and/or Silverwood Lake SRA State Park Official.
7. No person shall sell, give or loan a Vessel Inspection Seal to another person for the purposes of allowing a vessel to enter Lake Perris SRA and/or Silverwood Lake SRA without being inspected.
8. No person shall re-use a Lake Perris SRA and/or Silverwood Lake SRA Inspection Seal once it has been removed from a vessel.
9. Any violation of this Posted Order is a violation of the California Code of Regulations Section 4326(a).
10. The District Superintendent, or designee, may grant exemptions to this order as determined necessary for the proper administration of the park, and to protect the safety and welfare of its visitors, employees, wildlife and resources. All Exemptions, except for emergency personnel, must be obtained in writing. Requests for exemptions may be made by contacting the District Superintendent, Inland Empire District, 17801 Lake Perris Dr., Perris, California 92571.
11. Nothing herein shall affect any existing private contract or property rights.
12. Nothing herein shall be construed in derogation of other provisions of law.

DISTRICT SUPERINTENDENTS ORDER NO. 950-21-002

Supersedes Posted Order 950-19-002

Whereas: The dramatic growth and popularity of Unmanned Aircraft Systems (UAS) within the Inland Empire District has numerous negative impacts to the special resources, park operation, and the unique visitor experiences afforded by the District. UAS are an emergent technology generally inconsistent with the park experience. UAS can have negative impacts on the regional wildlife found within the Inland Empire District. UAS can be noisy and intrusive to natural soundscapes and vistas and present a fire hazard. Further, UAS can interfere with emergency rescue operations.

Therefore:

1. To protect wildlife and cultural resources, and for the safety and welfare of visitors and staff; the Park units in the Inland Empire District are closed to the use of Model Aircraft, Unmanned Aircraft Systems (UAS), and Gliders in flight.
2. An exception to this order is the operation of unpowered remote controlled gliders and sailplanes containing no thrust producing mechanisms, providing forward thrust aiding in flight of the aircraft, flown over, to the south and along the west ridge of Glider Point located at Chino Hills State Park. Gliders and sailplanes flown, shall not be equipped with any camera or other still image, video, or sound recording devices. Gliders and sailplane operators shall fully comply will all applicable FAA regulations with regard to model aircraft operation.
3. The District Superintendent, or designee, may grant exemptions to this order as determined necessary for the proper administration of the park, and to protect the safety and welfare of its visitors, employees, wildlife and resources. All Exemptions, except for emergency personnel, must be obtained in writing. Requests for exemptions may be made by contacting the District Superintendent, Inland Empire District, 17801 Lake Perris Dr., Perris, California 92571.
4. Nothing herein shall affect any existing private contract or property rights.
5. Nothing herein shall be construed in derogation of other provisions of law.

Electronic Bicycle Use

August 24, 2021

Inland Empire District

DISTRICT SUPERINTENDENTS ORDER NO. 950-21-003

Whereas: California Code of Regulations (CCR) tit. 14, § 4360 states, “Unless designated by the Department, all trails are open to pedestrians and closed to all other uses.” This regulation prevents bicycles, to include e-bikes, on trails unless otherwise designated by the Department through a superintendent’s order.

Whereas: Revisions to the California Vehicle Code (CVC) have removed e-bikes from the definitions of “motorized bicycle” and “motorized vehicle.” Section 312.5(a) of the CVC redefines e-bikes into three classes depending on the bicycle’s level of assistance and speed:

- (1) A “class 1 electric bicycle,” or “low-speed pedal-assisted electric bicycle,” is a bicycle equipped with a motor that provides assistance only when the rider is pedaling, and that ceases to provide assistance when the bicycle reaches the speed of 20 miles per hours
- (2) A “class 2 electric bicycle,” or “low-speed throttle-assisted electric bicycle,” is a bicycle equipped with a motor that may be used exclusively to propel the bicycle, and that ceases to provide assistance when the bicycle reaches the speed of 20 miles per hour.
- (3) A “class 3 electric bicycle,” or a “speed pedal-assisted electric bicycle,” is a bicycle equipped with a speedometer and a motor that provides assistance only when the rider is pedaling, and that ceases to provide assistance when the bicycle reaches the speed of 28 miles per hour

Whereas: Except as otherwise permitted, e-bike use on trails and non-public access (controlled access) roads shall only be allowed in the following unit classifications:

- State Recreation Area (SRA) Class 1 e-bikes only
- State Vehicle Recreation Area (SVRA)

Therefore:

1. Class 1, 2, and 3 e-bikes are allowed on public roadways within all Inland Empire District park units per applicable California Vehicle Code sections. Public roadways are roads currently open to public vehicle use.

2. Inland Empire District has three State Recreation Areas (SRA) within the jurisdiction of the Department. Class 1 e-bike use is permitted in the below listed SRAs on trails and non-public access roads already designated for traditional (non-electric) bicycles.

- a) Lake Perris State Recreation Area
- b) Silverwood Lake State Recreation Area
- c) Providence Mountain State Recreation Area

3. Regardless of park unit classification, e-bikes are permitted to use paved (asphalt or concrete) trails used for the purpose of local or regional commuting where such use would be consistent with adjacent agency or organization's trail use.

4. Chino Hills State Park and Mount San Jacinto State Park– All trails closed to e-bikes, personal electric transporters and other motorized transportation devices.

5. Requests by individuals for e-bike use for the purpose of providing access to people with disabilities shall follow Departmental Notice 2015-04 Other Power Driven Mobility Devices.

6. The District Superintendent, or designee, may grant exemptions to this order as determined necessary for the proper administration of the park, and to protect the safety and welfare of its visitors, employees, wildlife and resources. All exemptions, except for emergency personnel, must be obtained in writing. Requests for exemptions may be made by contacting the District Superintendent, Inland Empire District, 17801 Lake Perris Drive, Perris, California, 92571.

7. Nothing herein shall affect any existing private contract or property rights.

8. Nothing herein shall be construed in derogation of other provisions of law.

1. The lands, waters and facilities of Silverwood Lake SRA are hereby restricted in the following manner:
 - a. The maximum allowable boat speed limit on Silverwood Lake SRA is 35 miles per hour.
 - b. Five miles per hour (wakeless forward motion) is the maximum allowable speed in the following circumstances:
 - 1) Within all areas marked with 5 mph or wake less speed regulatory buoys between shoreline and buoy line.
 - 2) Before sunrise or after sunset
 - 3) During restricted visibility (visibility less than 1000 feet due to fog, haze, smoke etc.)
 - c. Water skiing, wake boarding, inflatables and all other towable aqua planes and devices may only be towed behind a vessel in the open zone at the north end of Silverwood Lake SRA. Towing of the above is not allowed in the Channel.
 - d. All boat and vessel traffic shall move in a counter clockwise direction in the open zone at the north end of Silverwood Lake SRA.
 - e. Any floating device, as defined in CCR T14 4652, used in an open zone in Silverwood Lake SRA must have a United States Coast Guard approved personal floatation device for each person on board.
 - f. No vessels shall enter the posted buoyed swimming areas at any time.

- g. Submersible vessels are not permitted.
- h. No vessel shall operate, anchor, or launch when the following conditions exist:
 - 1) Lake boating capacity is reached for existing water elevation and capacity as determined by Park Officials.
 - 2) No personal watercraft, powerboat, kayak, or float tube with less than 6 inches of freeboard, measured from the water surface to the lowest portion of the gunwale, shall operate, anchor, launch or remain on the lake's surface when wind speed reaches or exceeds 39 miles per hour (gale warnings).
 - 3) The lake surface is closed to all vessels or similar objects when a wind speed of 55 miles per hour or greater is reached (full gale).
- 2. The District Superintendent, or designee, may grant exemptions to this order as determined necessary for the proper administration of the park, and to protect the safety and welfare of its visitors, employees, wildlife and resources. All exemptions, except for emergency personnel, must be obtained in writing. Requests for exemptions may be made by contacting the District Superintendent, Inland Empire District, 17801 Lake Perris Dr., Perris, California 92571.
- 3. Nothing herein shall affect any existing private contract or property rights.
- 4. Nothing herein shall be construed in derogation of other provisions of law.

DISTRICT SUPERINTENDENTS ORDER NO. 953-21-011

In order to ensure public safety and minimize adverse resource impacts, OPDMD's may only be operated within Silverwood Lake State Recreation Area by individuals with mobility disabilities and in accordance with the following criteria.

1. Evidence of Mobility Disability

Unless otherwise authorized, the use of OPDMD's in Silverwood Lake State Recreation area is restricted to people with mobility disabilities as defined in §35.104 of Title II of the American with Disabilities Act. All users of OPDMD's must provide credible assurance that the mobility device is required because of their disability. Credible assurance may be provided by showing a National Parks and Federal Recreational Lands Access Pass or proof of assignment of any State's valid disabled parking placard or card assigned to the person who will be using the OPDMD. If a person does not have a state issued placard or card, employees must accept as a credible assurance a verbal representation, not contradicted by observable fact, that the OPDMD is being used for mobility disability.

2. Types of OPDMD

- a. **Size:** OPDMD shall not be wider than 36" or longer than 48"
- b. **Weight:** The overall weight of the device and user(s) shall not exceed 550 pounds
- c. **Speed:** OPDMD shall not be operated at speeds in excess of 5 miles per hour
- d. **Noise:** OPDMD shall not produce noise levels in excess of 70 decibels
- e. **Emissions:** OPDMD shall not exceed zero emissions during use.

3. Areas of Authorized Use

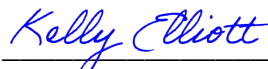

OPDMD's that meet the above criteria are allowed in the following locations at Silverwood Lake SRA:

All roads/trails where mountain bikes are currently permitted to travel (including the following):

Paved bike paths, day use areas, parking lots, sidewalks, marina paths and docks, campgrounds, picnic areas, launch ramps, and designated unpaved trails and roads 5 feet or greater in width.

OPDMD may not access the Pacific Crest Trail because of public safety issues. This trail has difficult slopes, uneven terrain, and narrow widths in certain sections.

4. The use of OPDMD's is prohibited unless they meet the above criteria for type of device, are being operated by persons with mobility disabilities on the above-described locations.
5. The District Superintendent, or designee, may grant exemptions to this order as determined necessary for the proper administration of the park, and to protect the safety and welfare of its visitors, employees, wildlife and resources. All Exemptions, except for emergency personnel, must be obtained in writing. Requests for exemptions may be made by contacting the District Superintendent, Inland Empire District, 17801 Lake Perris Dr., Perris, California 92571.
6. Nothing herein shall affect any existing private contract or property rights.
7. Nothing herein shall be construed in derogation of other provisions of law.
